## Next Sunday

Have you ever thought about this: if Jesus was fully God, why did he need to get away to pray? Why did he need times of solitude to re-connect with His Father? Next week we'll take up those questions as we jump back into the Gospel of Mark.

## This Week's Offering is for Christian Schools

Please give generously to support Grand Haven Christian & Western Michigan Christian Schools.

## Financial Peace University

Is your financial situation out of control? Do you need a little more clarity on how to budget? Maybe just a refresher course and a game plan for your finances? Dave Ramsey's Financial Peace University can help. We plan to offer this 13-week course at FCC starting March 2. If you're interested in the course, please stop by the FPU table in the lobby, check out the video, and get more information.

## Pantry News

Thank you for your generous support of our pantry ministry. You are making a difference in our community! The needs remain great, so keep up the good work!

## GIFT Cards

The Stewardship Committee wants everyone at FCC to experience the blessings of giving generously to God. Please pray about how God is leading you to support His work at FCC in 2010. Then indicate this on the GIFT card that is in your church mailbox (extra cards are available in the info rack). Please place your GIFT card in the offering plate during the month of February.

## Nurture Newsletter

The final print issue of the Nurture Newsletter is now available in the rack by the education entrance. This issue focuses on forgiveness. Help yourself!

## Humanity For Prisoners

Not enough money came into the HFP office to pay bills this week, but one could put no price tag on this comment from an overwhelmed supporter: What an amazing difference you are making in your world! I sincerely stand in awe! This week the office filed commutation applications for four deserving prisoners, Doug interacted with students in a feature-writing class at Grand Valley, Nate visited a prisoner in a Muskegon prison, and Doug traveled to Lapeer to visit a mentally ill juvenile prisoner. Said former Governor Milliken: HFP's efforts have been tireless, and the expenses grow steadily. Thanks to members and friends of FCC for prayers and support!

## Thank You

Our Sunday school season began with what we consider one of the best topics ever: Church, Why Bother? Discussion was open and honest; participants shared how -as a body- we need to support each other. We have recently witnessed many of the principles discussed in this book from "the receiving end". We have been richly blessed by a myriad of cards, lovingly prepared meals, and compassionate phone calls. We even had a very special angel do some sewing and ironing for us. The care team, under the direction of Jan Bross, was an essential support to us. Most of all we appreciate all who have been prayer partners. Even though our hope is in the Lord, I am sure that feelings of despair would have often overwhelmed us were it not for the support of many endearing church family members. For all of you we give THANKS. Dean and Donna Hoover
